PROFESSIONAL SUBMMARY

"As a motivated MCA student, I am eager to kickstart my career in the dynamic field of technology. With a solid foundation in computer science principles and hands-on experience gained through academic projects and coursework, I am eager to apply my knowledge and skills to contribute effectively to a forward-thinking organisation. I am seeking an opportunity to leverage my programming proficiency, problem-solving abilities, and passion for innovation to contribute to impactful projects while continuing to learn and grow in a collaborative and challenging environment."

TRAININGS

Zero Waste Academy Foundation

July, 2023 - Sept, 2023
